### GRIEVANCE PROCEDURE

#### 3.1 Definitions:

3:1.1 A "grievance" is a claim based upon an event or condition which affects the welfare and/or terms and conditions of employment of a teacher or group of teachers, including any complaint by an employee that there has been to him a personal loss, injury or inconvenience because there has been a violation, misinterpretation, misapplication or infringement upon the provisions of this agreement, or that there has been a violation, misinterpretation or misapplication of established Board policy or as a result of administrative decision pertaining to Board policy or this Agreement.

3:1.2 An "aggrieved person" is the person or persons or the Association making the claim.

3:2 The purpose of the procedure set forth hereunder is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting the welfare or terms and conditions of employment of teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

3:3 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

3:4 Any aggrieved person may be represented at any or all stages of the grievance procedure by himself, or, at his option, at any stage by a selected representative. When a teacher is not represented by the Association, the Association shall have the right to be present at any stage after the completion of Stage 3.

#### 3:5 Procedure

3:5.1 Stage One: A teacher with a grievance shall, within thirty (30) calendar days of its occurrence, first discuss it with his principal or immediate superior with the objective of resolving the matter informally.

3:5.2 Stage Two: If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) school days, he may set forth his complaint in writing to the principal. The principal shall communicate this decision to the employee in writing, within five (5) school days of receipt of the written complaint.

3:5.3 Stage Three: If the grievance is not satisfactorily adjusted under the provisions of Stages One and Two, or if no decision has been rendered by the principal within five (5) school days under the provisions of Stage Two, the teacher may appeal the principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing and must set forth the grounds on which the grievance is based. The Superintendent shall give his decision in writing to the employee and the principal within ten (10) school days of receipt of the written grievance.

## Article 3 - Grievance Procedure

3:5.4 Stage Four: If the grievance is not yet resolved to the employee's satisfaction, he may appeal within ten (10) school days of receipt of the Superintendent's decision to the Board of Education. The request shall be submitted in writing through the Superintendent, who shall attach all related papers and forward the request to the Board. Copies of the request and all related papers shall be given to the Association. The Board, or a committee thereof, shall hold a hearing with the employee within fifteen (15) school days of receipt of the written grievance of the next regular Board meeting, whichever is later, and render a decision in writing within twenty (20) school days of the hearing.

3:5.5 Stage Five: If after the decision of the Board of Education the aggrieved person is still dissatisfied with the disposition of his grievance, he may request the Teachers' Association to submit it to arbitration. If the Association determines that the grievance is meritorious it shall notify the Board that it wishes arbitration within twenty (20) days after receipt of a request by the aggrieved person. The twenty (20) days shall be calendar days.

3:5.5.1 Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

3:5.5.2 The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to nor subtract anything from the Agreement between the parties or any policy of the Board of Education. The recommendations of the arbitrator shall be advisory only. Only the Board and the aggrieved and his representative shall be given copies of the arbitrator's report of findings and recommendations. This shall be accomplished within thirty (30) calendar days of the completion of the arbitrator's hearings.

3:5.5.3 The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same. Arbitration proceedings shall not take place during school working hours.

### 3:6 General Provisions

3:6.1 In the event a grievance is filed at such time that it cannot be processed through all the stages in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to the aggrieved person, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable. Otherwise, any grievance not processed in accordance with the time limits specified herein shall be deemed relinquished by the aggrieved person.

### Article 3 - Grievance Procedure

- 3:6.2 Administrative failure at any step of this procedure to communicate a decision with the specified time limits shall permit the aggrieved person to proceed promptly to the next stage. The time limits specified at any stage may be extended in any particular instance by agreement between the Superintendent or his designee and the aggrieved.
- 3:6.3 No aggrieved person nor the Association shall seek any relief until it exhausts its remedies under the grievance procedure.
- 3:6.4 The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination or reprisal in presenting his appeal with respect to his personal grievance.
- 3:6.5 It is understood that aggrieved person or persons shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

Article 4

TEACHER RIGHTS AND RESPONSIBILITIES

- 4:1 Nothing contained herein shall be construed to deny to or restrict from any teacher or the Board such right as either may have under N.J. School Laws or other applicable laws and regulations. The rights granted to teachers herein shall be deemed to be in addition to those provided elsewhere.
- 4:2 Any questioning or criticism by a supervisor, administrator, or a board member of a teacher and his instructional methodology and/or professional performance shall be made in confidence and not in the presence of students, parents, or other public gatherings.
- 4:3 Before any teacher is required to appear before the Board or a Board Committee concerning any matter which could adversely affect the continuation of that teacher in his office, the following steps must be taken:
- a) A meeting with the superintendent or his designee shall be held.
  - b) The teacher shall be provided with prior written notice of the Board or Committee meeting and the reason(s) for such meeting or interview.
  - c) The teacher shall be entitled to have a representative of the Association present with him at any meeting with the Board or with a Board Committee occurring under the provisions of this section. This representative may speak on behalf of the teacher at the teacher's request.
- 4:4 Any suspension of a teacher pending charges shall be without pay. The pay being withheld shall be placed in escrow pending resolution of the charges.
- 4:5 The teachers shall have the right to make known their views regarding equitable distribution of responsibilities and work load amongst the staff to the administrative personnel.
- 4:6 A teacher shall have the right to review and to copy at his expense the contents of his personnel file with the exception of any documents sent to the Board to be held in confidence. The review of the file must be arranged at a time mutually agreeable to the superintendent and the teacher and be held in the presence of the superintendent or his designee.

#### Article 4 - TEACHER RIGHTS AND RESPONSIBILITIES

- 4:7 Teachers may be required to remain after the end of the regular work-day without additional compensation, for the purpose of attending faculty or grade level(3) meetings not more than twenty (20) hours in the school year, nor more than three (3) three in any calendar month. An attempt shall be made to convene such meetings no later than fifteen (15) minutes after the students' dismissal and to limit the duration to one (1) hour. No teacher shall be required to remain in attendance at these meetings beyond 4:15 p.m. The notice of an agenda for any such meeting shall be given to the teachers at least two (2) days prior to the meeting, except in the case of an emergency. Teachers shall have the opportunity to suggest items for the agenda of after-school meetings. The provisions of this section shall not prohibit the calling of extra meetings where emergency situations necessitate such extra meetings. In addition, teachers may be required to remain or return after the end of the regular work day without additional compensation for the purpose of attending one (1) School and Home Association Meeting.
- 4:8 In order to continue to maximize the educational effort being put forth by the professional staff, which thereby insures the continued excellence in education, the Association agrees that no Association business matters will be discussed during scheduled instruction times but will be permitted during a teacher's scheduled lunchtime and all official meetings will be conducted after the normal workday. All reasonable expenses incurred in support of Association Activities will be borne exclusively by the Association.
- 4:9 Classroom teachers shall, in addition to their lunch period, have preparation time in which they will have no other assigned duties. This preparation time shall not be less than thirty (30) minutes per day per teacher when averaged over a one (1) week period.

## Article 5

### TEACHER PERFORMANCE AND EVALUATION

- 5:1 Although this article is titled Teacher Performance and Evaluation, it deals with some specifics of formal classroom observation, a small part in the total evaluation of a teacher, and is not to be construed as a total performance and evaluation procedure.
- 5:2 After any formal classroom observation, a written observation report shall be presented to the teacher at a post-observational conference. The purpose of observations and post-observational conferences will be specifically to discuss ways and techniques for improving the learning situation for the children of our school.
- 5:3 All written evaluations of a teacher which are to be placed in the teacher's personnel file shall be signed by him attesting to the fact that the contents of the evaluation are known to him. No written evaluation may become part of the teacher's personnel file without the teacher's signature. The teacher's signature shall not be construed as other than a simple acknowledgment by the teacher that he read the evaluation.
- 5:4 The teacher is entitled to attach a written answer or comment to any evaluation, conference report, or other material susceptible to evaluative use which is placed in his file.

Article 6

- 7:3 The Board will provide facilities for the use of teachers as faculty lounges. These facilities will be reserved for teacher use until 6:00 p.m. during every normal school day.
